

Level 2 Intro-Text

“You arrive at the front gates of Grimrock Castle to find the still missing famous influencer Isia C. Lue. Based on your previous investigation, you are sure that Isia is inside the castle and you are dedicated to be the ones to find and save her!

The police have already promised a reward for any tips that lead to finding Ms. Lue, so, by finding her on your own, an even bigger reward is very likely! And maybe she will even feature your story in one of her true crime podcasts?!

But beware, the castle is huge and very old, and even though it is mostly open to the public, there are sure some hidden, long-forgotten places, which hold some spooky secrets. Here, take this brochure of the castle, it may help you.

You have only 30 minutes before the castle officially closes and you are locked inside – so be quick!

Ready, set, go!”

Hand them the flyer and start the timer of 30 minutes
